New Student Referral Program

Refer families to our school and receive up to a \$500 credit on your families tuition...

We are once again offering our current school families an opportunity to earn money towards tuition. Over the past few years it has been evident to us the best way to market our school is through Word of Mouth.

As an incentive to encourage you to spread the word about our school we have the New Student Referral Program. With this program your family would receive a credit of \$250.00 for the first referred family, with an opportunity to receive a additional \$250.00 tuition credit for referring a second family, for a total of \$500.00 tuition credit.

How does this program work?

Attached is a copy of our referral program form which must be completed and sent into our school office for your family to receive credit. This form will also be available by logging onto our school website at www.gars-online.com.

This is a great opportunity for your family to help our school family grow!

Fr. David A. Grover, *Pastor ~ St. Clare of Assisi Parish*

Fr. Charles J. Colozzi, *Pastor ~ St. Gabriel's Parish*

Sr. Jerilyn Einstein, *Principal*

Mrs. Marcie Voight, *Advancement Director*
