What is GARS Cares?

A compassionate person-to-person service provided by our caring school families. Our mission is to ease others' burdens by providing assistance to any school family who is in need of temporary help.

Are you or someone you know experiencing unforeseen medical needs, the birth of a child, loss of a loved one, or other life situation or challenge?

Let us help.

How does GARS Cares work?

Any school family in need can notify GARS Cares themselves or for another school family in need. Services can be requested by calling or emailing via the contact information on the back of this brochure.

GARS Cares request forms can also be downloaded from the Guardian Angels Regional school website at

www.gars-online.com

How can I become a GARS Cares volunteer?

Anyone who wishes to help another in need is encouraged to volunteer. We will work with you based on your availability and talents.

Contact the GARS Cares coordinator via the contact information on the back of this brochure.

As a volunteer we realize that your time is precious, limited and in demand, so any gift of service is greatly appreciated no matter how small or how large.
