PRINCIPAL'S REPORT

Report on Annual Giving

2017-2018

MESSAGE FROM OUR PRINCIPAL

Sr. Jerilyn Einstein, FMIJ

It's a beautiful time of year. Our school community wishes you and your family a very Merry Christmas and Blessings for a Happy New Year.

Our students have been hard at work since school started in September. Focusing their attention on learning new material in school along with staying busy playing soccer, football, and taking dance classes after school.

Before their arrival in September, we made many improvements to enhance their education.

- New swing sets were installed at both campuses. Thank you to Adam Williams and the members of Boy Scout Troop 13 in Swedesboro/Woolwich! Adam is the brother of one of our students, and he chose to install our swing sets as his Eagle Scout project.
- Improvements to the internet service at our Gibbstown campus were made. We are in the process of ordering Chromebooks for our 8th-grade students, which I hope will be in use for both classwork and homework.
- New doors were installed for the Before/After care entrance and the entrance at the opposite end of the hallway.

We hope to continue to make improvements to both campuses this year too. Our list of improvements include purchasing bleachers for our gymnasium, new tables, and chairs for our students to use at lunch, and new windows for the Gibbstown

campus for the second grade classroom, library, and school offices.

These past and future improvements would not be possible if it were not for the support of our donors. I want to thank our donors, who once again have supported our school's mission.

We depend on our donors who understand a Catholic education is a gift which lasts a lifetime. Thanks to the dedicated professionals in our school, our students not only learn in an environment where they are encouraged to excel, but they also learn in an environment where Christ is always present. Our faculty and staff members teach with the understanding that all things come from and through Christ and his love while following the pedagogy of the Mother Foundress of the Franciscan Missionary Sisters of the Infant Jesus.

As we continue on this journey to educate children in the Catholic Franciscan tradition, I ask you to prayerfully consider supporting us this year with a donation to our Guardian Angels Fund. Every dollar donated is used at our school to enhance the education of every child.

Sincerely in Christ,

Sr. Jerilyn Einstein, FMIJ
